

"I"-Search Paper Topic Declaration Form (Due Monday, 3/12/18)

1. What *specific* question(s) will I try to answer by means of the research I'll be doing for the next 7 weeks?

Example: *What do I need to know and/or do in order to best cope with ____ ?* (fill in medical/psychological condition affecting you or a loved one)

Example: *Which college/university is the best fit for me for completing my Bachelor's Degree?*

Example: *Out of the career or degree program (i.e. major) choices that I'm considering, which is the right one for me?*

Example: *What do I most need to know and do to prepare myself for travel to ____?*

Example: *What do I need to understand before buying this car/house/etc.?*

2. What *specific* sources of information do I expect to use in order to attempt to answer the question(s) in '1' above?

Example: *I plan to interview students at the two colleges I'm thinking of transferring to.*

Example: *I will get information from the universities' websites.*

Example: *I will study the ratings and descriptions of these schools on the US News website.*

Example: *I hope to ask some people who are working in my field about their suggestions for which school makes the most sense for my career goals.*
